Attachment 35

Inspector General's Recommendation Number 35, Page 103

Recommended DCI Action: Approve.

Inspector General's Statement

Recommended that:

The Chief, WH Division, consult with the appropriate clearing authorities to determine whether, in the light of the peculiar social conditions existing in [REDACTED] and some other countries, it would be feasible to simplify the procedure for processing operational clearances at Headquarters.

DD/P Comment

25X1A6a

Concur. The [REDACTED] Section of WHD has recently formulated a new procedure to more rapidly process clearance requests. This is now being tested and if it proves successful, it will be considered for adoption throughout the Clandestine Services.
